Brian,

Attached is a letter we received from our eminent domain counsel, Goldstein, Rikon, Rikon & Houghton, the preeminent eminent domain counsel in NY State (they've worked on Atlantic Yards, Hudson Yards, Willets Point, etc.). As you'll see, they estimate the eminent domain process will take 3 to 5 years. In addition, the Superfund designation does not permit the City any exemptions from the typical eminent domain process, nor does it allow for an abbreviated timeline.

Also, we wanted to show you a preview of the presentation we are giving to the CAG tonight.
